Refinances	<ul style="list-style-type: none"> FNMA/FHLMC definition of cash out and limited cash-out refinance apply. 6 month title seasoning required for all cash-out refinances transactions. Any refinance on the subject property must have closed 6 months prior to the application date of the new refinance transaction if the previous transaction was cash-out refinance. Limited cash-out refinance transactions use current appraised value to determine LTV/CLTV, regardless of the length of time the borrower has owned the property. Increase in property value must be supported. Cash-out refinance transactions use the current appraised value to determine LTV/CLTV when there is a lien against the property, regardless of the length of time the borrower has owned the property. If the property is owned free & clear and was purchased within 6 - 12 months prior to the application date, the LTV is based on the lower of the sales price/acquisition price, documented by the HUD-1, or the current appraised value. Increase in property value must be supported. If the property was purchased within 6 months prior to the underwriting date, the loan is ineligible for cash out. 			
Continuity of Obligation	<ul style="list-style-type: none"> To be eligible for a limited cash-out refinance, a continuity of obligation is required. A continuity of obligation exists when: <ul style="list-style-type: none"> At least one borrower on the existing mortgage is a borrower obligated on the new mortgage. The borrower on title has been on title (but is not on the existing mortgage) and has been occupying the subject property for at least 12 months and has paid the mortgage for the previous 12 months (cancelled checks, front and back, are required) or can demonstrate a relationship (spouse, relative or domestic partner) with the current obligor. The existing loan being paid off and the title have been held in the name of a natural person or a limited liability company (LLC) as long as the borrower was a member of the LLC prior to transfer. Transfer of ownership from or corporation to an individual does not meet the continuity of obligation requirement. The borrower recently inherited or was legally awarded the property (divorce/separation settlement). If the borrower is on title (minimum 6 months) but there is no continuity of obligation, as detailed above, the loan will be treated as a cash-out refinance. The following applies: <ul style="list-style-type: none"> If the property is owned free & clear and was purchased within 6 - 12 months prior to the application date, the LTV is based on the lower of the sales price/acquisition price, documented by the HUD-1, or the current appraised value. If the property is owned free & clear and was purchased more than 12 months from the date of application, the LTV is based on the current appraised value. If the property has an exiting lien and the borrower has been on title for a minimum of 6 months the maximum LTV is 50%, based on the current appraised value. 			
Gift of Equity	<ul style="list-style-type: none"> Gifts of Equity are permitted provided the loan is a bona fide transaction. The gift of equity must be between family members (parent to a child, sibling to sibling, etc). A gift of equity between spouses is not permitted. A gift of equity may not be used to overcome a lack of continuity of obligation Ineligible on second home and non-owner occupied transactions. 			
Appraisals	<ul style="list-style-type: none"> Appraisal requirements per DU Findings. If a full appraisal is required it must include interior/exterior photos. NOTE: Properties located in Florida or Nevada will require a full appraisal, with interior/exterior photos, regardless of DU Findings.
